Carrier Objective: As agriculture graduate with robust technical and practical experience, and a versatile nature, I am eager to pursue a career where I can apply and further develop my skills..

Academic Experience (professional experience):

- Completed a 3-month village stay as part of the Rural Agricultural Work Experience Programme (RAWEP), focusing on farmer interaction, rural scenarios, cropping patterns, socio-economics, culture, and technology adoption challenges.
- Managed event logistics for the opening and closing ceremonies of the RAWEP Programme.
- Researched and assembled data for weekly village seminars, educating farmers on scientific crop production, disease and pest management, and Beejamrutha and Jeevamrutha production.
- Completed a unit attachment at KVK (Krishi Vigyan Kendra), Talasande, gaining insights into scientific and extension activities.
- Conducted an agro-industrial visit to a Shailesh Nursery, Yelur, where I worked for 30 day and studied all planting programs, customer handling, sales section etc.
- Participated in a 1 week south tour education program, gaining comprehensive exposure to research institutes.
- Completing M.Sc. in Agricultural Botany in Seed science and technology, completed research programme on pearl millet.

Hands on training experience

- Led a team and served as class representative, successfully achieving the target for bio pesticide and bio-fertilizer production.
- Completed 6 month module programme in bio pesticide production and sericulture production.

Work experience

Fresher

Extracurricular activities

- Undergone NSS programme at college of agriculture, kolhapur during 2018 to 2020
